THE real estate men are phenomenally busy. But this season there is a lull in the business, and they are making many sales to outside parties who are contemplating locating in the Junction City.

ON the new depot all is busy as a hive of bees. Brick laying has commenced, and as soon as the water courses are laid will be pushed rapidly. Over fifty men are employed now, and when they get fairly under way the number will probably be augmented by as many more. The saws are working night and day to keep stone ahead for the workmen.

## Mr. T. C. Griggs,

Assistant Leader of Music at the Tabernacle, and Manager of the Fifteenth Ward Co-op., Salt Lake City, says:

While camping at City Creek Canyon my wife discovered that our youngest child had become deaf, and notified me to come immediately, so as to take them home. It seemed to me almost impossible, for when they left home her hearing was perfect; but all our endeavors to make her hear seemed fruitless.

We brought the child home to this city, thinking the deafness only transitory, but the general health of the little one became impaired and a rash covered her head, face and neck.

Seeing that time did not help the case, as she was rapidly growing worse, about the 15th of September we were recommended by Mr. Sears to Drs. Wheeler & Hasbrouck, as he thought they would give us an honest diagnosis and that their treatment would cure the child. Acting upon his advice, we consulted the doctors. They gave us hopes of restoring the child's health and hearing.

After three weeks she is restored to hearing, the rash has disappeared, and her general health is better than for many weeks.
